FLOORLINE® SUPERIOR

TRUE GREATNESS KNOWS NO STANDARDS

FLOORLINE® – floors for the perfect moment

Enjoy complete individuality with a perfect interior design that begins with the floor. FLOORLINE® SUPERIOR is an excellent choice, combining all of the advantages expected from modern laminate flooring and thereby setting itself far apart from conventional “standard floor boards”! The exclusive LARGE floor board format (1.292 × 245 mm) allows rooms to appear visually larger, surfaces to reveal their full effect and creates a free, open atmosphere. The fascinating ENDLESS OPTIC is another highlight. Here, the grain transitions smoothly to the next floor board, creating the impression of virtually endless, perfectly fitting planks.

FLOORLINE® SUPERIOR – overview of the advantages:

- New 1.292 × 245 mm floor board format
- Perfectly fitting floor boards, visually and technically
- Straightforward, quick installation with the patented *JUST clic!* installation system
- 10 attractive decors with a natural, authentic appearance and feel
- Extremely durable due to three coating-sealing layers

*» Today I have a performance
in front of the whole city! «*

My perfect one | Lenny, Jazz Musician

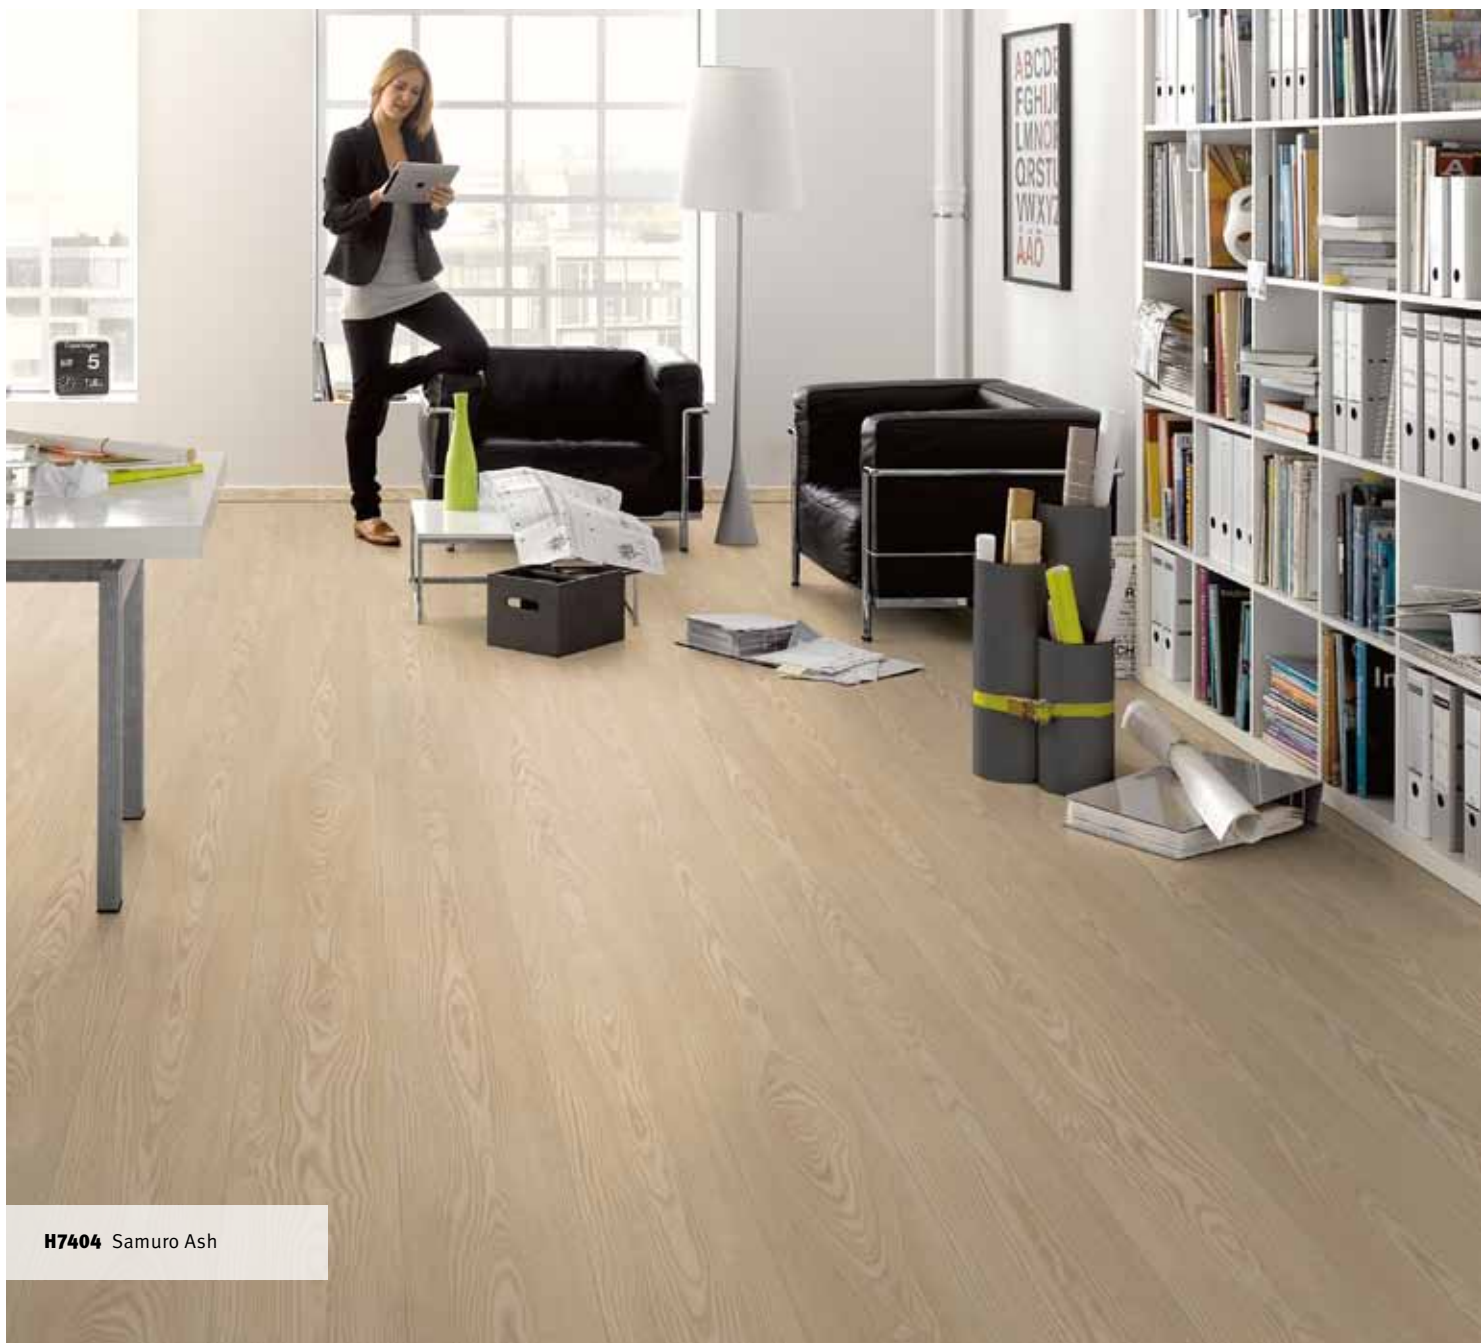

After a day in the hustle and bustle of the city, I feel completely at home in my city loft. The large rooms give me the freedom I need in order to blossom. Here I can give my creativity free rein. The flooring plays an important role, it forms the basis. Especially the large floor boards and authentic appearance of FLOORLINE® SUPERIOR give the room it's special charm. This is the best way to prepare for a performance on the boards that means the world!

Special feature

The WOODVISION® bevel on the long sides enhances the appearance of the decor image and highlights the character of the room.

» *My studio is home
to ideas!* «

My perfect one | Rebecca, Architect

Large, airy rooms need a floor with character. The linear, powerful decors are presented to their best advantage. My workplace becomes a source of inspiration.

The WOODVISION® bevel on two sides emphasises the ENDLESS OPTIC of the floor boards. This creates an orderly, structured flooring landscape with a stunning visual extension of the working or living space!

It is made for free thinkers who do not wish to compromise in their search for the perfect idea.

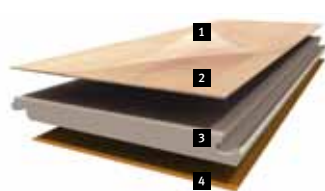

Special feature

With the wide floor board format, country home decors are expressed more vividly and offer a generous ambiance.

Product specification

PRODUCT STRUCTURE

- 1 Resilient, highly abrasion-resistant surface
- 2 Decor pattern
- 3 Swell barrier-plus coreboard made from natural wood fibres
- 4 Balancer

We only use HDF-core boards of the quality standard E1.

EGGER PROFESSIONAL added value guarantee* - details – Quality with no ifs and buts

OUTSTANDING FORM STABILITY

Through the excellent form stability of the core boards from our own production, EGGER secures consistent quality. Therefore the abrasion guarantee* applies for the entire panel – also for the edges.

OUTSTANDING IMPACT RESISTANCE

Laminate flooring from EGGER is extremely robust and impact-resistant. Thanks to the special product structure, it is robust and withstands to even heavy use.

SPECIAL INSTALLER ADVANTAGE

EGGER trusts in the quality of the handcraft. This is why the guarantee is extended by an additional five years with professional installation for private applications.

Our laminate flooring is certified according to:

Environmental protection contribution made by EGGER laminate flooring

WOOD, OUR MOST IMPORTANT RAW MATERIAL

Securing sustainable forestry over the long term is a top priority for EGGER. This is why we only use wood from sustainable forestry in our production. PEFC*, one of the leading certification systems in Europe, confirms our commitment.

COMMITMENT TO OUR ENVIRONMENT

EGGER products have also earned the oldest and most well-known ecological seal of approval in the world: the Blue Angel confirms our commitment to an intact environment.

* Programme for the Endorsement of Forest Certification Schemes
